

PRESS RELEASE

## Press Release

### **Ascent/32 receives Elite Rating of "5 Cows" from TUCOWS.com World-class, Sales Automation Software gets High Praise from Internet Legend "Tucows"**

**Toronto, Ontario, February 23, 2000:**

Tucows has bestowed the prestigious "5 Cows" rating for the popular Ascent/32 Sales Force Automation software. Tucows has given Ascent/32 the perfect score of

5 Cows, saying "Upon review of your program Ascent/32, we have decided to add it to our site with the rating of 5 cows. This puts you in with the elite (in our opinion) of home office and business related software." "After considering hundreds of titles, our research team has judged the Shareware version of your product, Ascent/32, to be appropriate for inclusion on the TUCOWS OFFICE site."

"Tucows has developed a web site that provides the latest and greatest in home office and business related software. They have also nurtured a far-reaching reputation in the Internet world as the source for innovative and productive software solutions. A 5-Cow rating and an invitation for inclusion on their TUCOWS OFFICE CD-ROM will definitely increase Ascent/32's profile as a premier Sales Force Automation tool, for the small to mid size company" explains Open Solutions' Director of Business Development John Graham.

Open Solutions Inc. is a leader in developing and marketing enterprise back and front office software solutions that include Sales Force Automation (SFA), Customer Relationship Management (CRM), Enterprise Resource Planning (ERP), Interactive Voice Response (IVR) and Dynamic Web-site solutions.
